

# DR. LAL – ENTHUSIASTIC THIRST FOR KNOWLEDGE

**Dr. Lal is one of our younger doctors, but due to his qualification and dedication to Ayurveda, he not only managed to win over his colleagues but also the Somatheeram guests. His previous career in an international guest environment and his professional approach indicate a promising future.**

Despite his comparably young age, Dr. Lal S Kesari can look back on a striking medical career. After his Ayurvedic studies, he started his medical path as an Ayurveda Doctor in a Resort in Kovalam, only a few kilometres away from Somatheeram.

After a few years he shifted his focus towards an international clientele and worked at several well-known resorts with Ayurveda guests from all over the world.

Since the beginning of 2012, Dr. Lal is part of the Somatheeram family and has proved himself as a worthy member of the doctors' team rapidly. Meanwhile, he holds the position of a Medical Officer and has ambitious plans for his future career. He sees himself as a passionate physician and emphasizes his enthusiasm and loyalty towards Ayurvedic medicine. For this reason, he continuously invests in his education, not only to satisfy his thirst for knowledge but also to make the Somatheeram guests feel confident and secure with the Ayurvedic treatments.

“Care, knowledge and dedication are the motto of my profession. All three pillars are the fundament for practicing Ayurveda with a clear conscious!”
